## Preface

This bibliography was prepared for the Royal Commission on Aboriginal Peoples by the Centre for Policy and Program Assessment of the School of Public Administration at Carleton University. The bibliography consists of primary sources, such as reports and policy documents, rather than books and articles on Aboriginal issues.

The project was undertaken during 1992 and involved a review of documentation which was submitted to the Royal Commission by various Aboriginal organizations, the federal, and the provincial and territorial governments. Entries were also collected as part of on-site visits to these organizations by members of the project team.

The principal investigator for this research was Professor Katherine A. Graham of the School of Public Administration at Carleton University. Members of the project team included

## Préface

Le Centre for Policy and Program Assessment de la Faculté d'administration publique de l'Université Carleton a produit la présente bibliographie pour la Commission royale sur les peuples autochtones. Cette bibliographie est constituée de sources primaires comme des rapports et des énoncés de principes plutôt que de livres et d'articles traitant de questions autochtones.

Lancé en 1992, le projet a pris la forme d'une étude de la documentation soumise à la Commission royale par diverses organisations autochtones ainsi que les gouvernements fédéral, provinciaux et territoriaux. Les membres de l'équipe de projet ont en outre recueilli des titres d'ouvrages à l'occasion de visites auprès des organisations en question.

Katherine A. Graham, de la Faculté d'administration publique de l'Université Carleton, était directrice des recherches.

Alex Ker and Gail Bradshaw, who were involved extensively in the planning and coordination of the exercise, and research assistants Carolyn Dittburner, David Hennes, Melanie Jeffs, Daniel Jost, David Kravitz, Julie Mugford and Gordon Quaiattini. In addition, Martha Clark and Amanda Begbie of the School of Public Administration provided administrative support to the project.

The research team would like to thank the staff of the Royal Commission on Aboriginal Peoples and the organizations which submitted documents and/or participated in on-site reviews. It would have been impossible to prepare this bibliography without their assistance.

L'équipe comptait également Alex Ker et Gail Bradshaw, qui ont participé dans une large mesure à la planification et à la coordination du projet, ainsi que les adjoints de recherche Carolyn Dittburner, David Hennes, Melanie Jeffs, Daniel Jost, David Kravitz, Julie Mugford et Gordon Quaiattini. Par ailleurs, Martha Clark et Amanda Begbie, de la faculté, ont fourni les services de soutien administratif au projet.

L'équipe de projet désire remercier le personnel de la Commission royale sur les peuples autochtones et les organisations qui ont déposé des documents ou qui ont participé aux vérifications sur place. Il aurait en effet été impossible de produire cette bibliographie sans leur aide.
